### **PETITIONER: (1)**

**John Barham  
2200 Iowa St  
#22-2-20-18-18-304-018**

John Barham and his daughter Tracy Barham addressed the Board of Appeals regarding the request, to place a fence on the front property line of the apartment building at 2200 Iowa St.

Kitty Reither ask them about the plans for a front property line fence and what size of fence.

Mr. Barham responded that he would like to place a 48" chain link fence for the safety of the tenants of the property. Things are being stolen from porches and pedestrian traffic through the front yards, has become an issue. He stated that they have security cameras and that the wires have been cut and cameras have been broken in the tenant parking lot. Non-tenants are using the parking lot for suspicious reasons.

LeRoy Taylor asked if it would leave room for emergency vehicles and Mr. Barham explained that the garbage truck gets in there to empty the dumpster, so he doesn't think that there is going to be a problem.

Kitty Reither asked about gates. Mr. Barham explained that he would install 3-36" gates across the front and 1 gate on the side by parking lot.

Alderman Dan McDowell asked Mr. Barham if he would consider a decorative style fence. Mr. Barham said that he would consider, but that he planned to do landscaping to make the fence line look nice. He explained that he always keeps his property looking nice.

Alderman Bob Pickerell questioned the front yard fence, stating he has had several people in his ward ask about them and they were told no.

Steve Willaredt advised everyone that they would need to bring before the BOA. Each request is a case by case basis.

Terry Long addressed the Board of Appeals regarding a variance to allow front set back, to extend front porch at 2539 Iowa St.

Steve Willaredt advised the Board of Appeals that code requires a 20 foot setback. Mr. Long is asking for a 4 foot variance.

Barb Hawkins asked if he would be doing the work himself. Mr. Long answered yes.

Kitty Reither if doing this would make his porch come out further than everyone else. Mr. Long stated that a couple other homes down the street have extended porches.

WHEREAS, the City is authorized by TIF Law to enter into all contracts necessary to implement and further the adopted Project Plan, and the City finds the Redeveloper has demonstrated to the City's satisfaction that it has the capacity to complete its designated project hereinafter defined, but while the Redeveloper is a governmental body, it is without authority to levy taxes upon properties within its own boundaries. Without such financial resources, and without the financial assistance authorized for tax increment designated areas, the Redeveloper would not undertake its project, and

WHEREAS, the City is willing to pledge the tax increment revenues generated by said designated project on the site described in this Agreement,

NOW THEREFORE, to promote the public interest, to enhance the tax base of properties lying within the City and within the designated Project Area, and to serve the purposes for which the aforesaid statute intends, and in consideration of the Redeveloper's agreements as set forth herein, the City and the Redeveloper agree as follows:

SECTION ONE: Redeveloper's project shall be to rehabilitate, reconstruct, and repair buildings known as Buildings 202 and 203, further described on Exhibit A attached hereto and made a part hereof, which is hereinafter referenced as "Project". Redeveloper, at such time the building(s) shall be added to the Tax Assessor's roles, shall cause to be assigned by the County of Madison, Illinois, to said buildings, or each of them, permanent parcel number(s) and to present said numbers to the City for the City's records.

SECTION TWO: The said Project authorized herein shall be in general compliance with the Project Plan which is attached to the City's Ordinance 8543. The Redeveloper shall comply with the all applicable zoning, building, fire and safety codes of the State of Illinois, all ordinances of the City and pay prevailing wages in effect. The Redeveloper shall have sole responsibility for the selection, engagement and payments of all contractors, subcontractors, agents, employees, professional and other personnel necessary to complete the approved project, including the right to complete the approved project in stages.

SECTION THREE: The Redeveloper shall through its own sources, or by obtaining financing, pay all costs of the projects, and then submit to the City proof of costs and payment in order to be considered as eligible for reimbursement from tax increments generated by such project. SECTION FOUR. The Redeveloper shall initiate construction of the project as soon as practical after approval of the City is granted. Redeveloper reserves the right to terminate construction of the project, or a phase of it, as it may decide in its discretion. All construction shall be first approved by the Building Inspector of the City, and building permits issued as required by City Ordinance. Upon completion of the construction, Redeveloper shall certify the project to the City Building Inspector and City Controller, by filing with the City Controller the Redeveloper's "Certificate of Substantial Completion", under oath, of (a) the completion of construction approved, or of the phase then intended for Redeveloper's use and occupancy, and (b) compliance with all Ordinances of the City. D. The Redeveloper shall also submit a verified list of construction costs incurred and paid by the Redeveloper for the project approved by this Agreement, with copy of paid invoices, together with a statement that all costs of labor have been paid with prevailing wages then in effect. The list shall be sufficiently itemized as deemed necessary by the City Controller to assure such costs are eligible for reimbursement under the provisions of state law. The City reserves the right to audit the alleged reimbursable costs. Upon completion of the review of the submitted costs, the Controller shall submit the eligible costs to the City Council for approval for reimbursement. If any costs are rejected by the City Council, the Redeveloper shall be promptly informed and may present additional evidence to support its claim for reimbursement.

E. The costs deemed eligible for reimbursement shall be paid to Redeveloper solely from tax increments generated from the approved project under the permanent parcel number assigned by the County of Madison, Illinois and received by the City. The total costs reimbursed to Redeveloper shall not exceed the lesser of (a) the amount certified to the City and approved by the City as provided in D above, (b) the amount of such tax increments received by the City for said parcel(s), less the City's percentage for its administration of the program as provided in F below, nor shall it (c) exceed the maximum costs declared in A above.

F. City shall retain five percent (5%) of all tax increments received from the County Treasurer as generated by Redeveloper's project as its sole and separate property.

SECTION SIXTH: This agreement is not a joint venture, partnership or co-operative venture between the City and Redeveloper, but an agreement to provide reimbursement of costs as contemplated and authorized under statutes providing for the same. SECTION SEVENTH : Notwithstanding all provisions of this Agreement, the City shall not be liable to the Redeveloper, nor as the case may be, the Redeveloper liable to the City, for damages or otherwise in the event all or any part of the relevant statutes or relevant ordinances of the City adopted in connection with the said statutes, or this Agreement, or the Project Area, or Project Plan, or the Redeveloper's project, shall be declared invalid, unconstitutional or unenforceable in whole or in part by final judgment of any court of competent jurisdiction, and by reason thereof, the City is prevented from performing any of the covenants or agreements herein, or the Redeveloper is prevented from enjoying the rights or privileges hereof.

SECTION EIGHT: In the event of litigation by a third party against the City or the City's officials, agents, employees and representatives contesting the validity or legality of the Project Area, the Project Plan, the Redeveloper's project, this Agreement or the ordinances approving any of them, the Redeveloper may, at the Redeveloper's option, assume the defense of such claim or action with legal counsel of Redeveloper's choosing. All costs of any such defense shall be eligible reimbursable costs, and shall not be counted against the maximum reimbursable limit. The City shall have no obligation to defend against any such action brought against it or challenging any actions of the City pertaining to the Project Area, Project Plan, the Redeveloper's project, any ordinances adopted or any action taken by the City in furtherance thereof.

SECTION NINTH: This Agreement and the reimbursements due the Redeveloper hereunder are not assignable nor committed by pledge to third party without the prior express written consent of the City.

SECTION TENTH: This Agreement is executed by the authorized officer pursuant to the authority vested in him by the governing body of each party hereto.

SECTION SIXTH: This agreement is not a joint venture, partnership or co-operative venture between the City and Redeveloper, but an agreement to provide reimbursement of costs as contemplated and authorized under statutes providing for the same. The City and its governing body members, officers, agents, servants and employees shall not be liable for any damage or injury to property or persons whomsoever due to an act of negligence or any person acting on behalf of the Redeveloper, and Redeveloper shall defend and indemnify the City, its governing body, members, officers, agents, servants and employees from any and all of such claims for damage or injury to property or persons due to act of such negligence set forth herein.

SECTION SEVENTH : Notwithstanding all provisions of this Agreement, the City shall not be liable to the Redeveloper, nor as the case may be, the Redeveloper liable to the City, for damages or otherwise in the event all or any part of the relevant statutes or relevant ordinances of the City adopted in connection with the said statutes, or this Agreement, or the Project Area, or Project Plan, or the Redeveloper's project, shall be declared invalid, unconstitutional or unenforceable in whole or in part by final judgment of any court of competent jurisdiction, and by reason thereof, the City is prevented from performing any of the covenants or agreements herein, or the Redeveloper is prevented from enjoying the rights or privileges hereof.

SECTION EIGHT: In the event of litigation by a third party against the City or the City's officials, agents, employees and representatives contesting the validity or legality of the Project Area, the Project Plan, the Redeveloper's project, this Agreement or the ordinances approving any of them, the Redeveloper may, at the Redeveloper's option, assume the defense of such claim or action with legal counsel of Redeveloper's choosing. All costs of any such defense shall be eligible reimbursable costs, and shall not be counted against the maximum reimbursable limit. The City shall have no obligation to defend against any such action brought against it or challenging any actions of the City pertaining to the Project Area, Project Plan, the Redeveloper's project, any ordinances adopted or any action taken by the City in furtherance thereof.

SECTION NINTH: This Agreement and the reimbursements due the Redeveloper hereunder are not assignable nor committed by pledge to third party without the prior express written consent of the City.

SECTION TENTH: This Agreement is executed by the authorized officer pursuant to the authority vested in him by the governing body of each party hereto.
